The Importance of Education

In The Name of Allah, the most Beneficent, the most Merciful

“And say! My Lord, increase me in knowledge.” The Holy Quran, (20:114)

- *The seeking of knowledge is obligatory on every muslim*
[Muslim]
- *THE excellence of a learned man over a worshipper is like my excellence over the lowest ranking man of my companions*
[Al-Tirmizi]
- *The one for whom ALLAH intends good, He makes him to understand the religion*
[Al-Bukhaari]

Welcome to Normanton House School

Normanton House School is an initiative of Al-Akram Trust, a registered charity (no.1077822) committed to providing excellence in education in general and Islamic education in particular.

“Read! In the name of your Lord who hath created; created man from a clot. Read! And your Lord is the most bounteous, who teaches by the pen, teaches man that which he knew not.”
The Holy Quran, 96:1-5

The school consists of a primary school for girls and boys as well as a secondary school for girls.

Since its beginnings, Al-Akram Trust has directed all its efforts towards setting up an Education Centre in Derby which would house an independent Islamic Primary School. After years of consistent effort, Normanton House School started in June 2003.

The school is fully registered with the DfE (Department for Education) and has been growing and flourishing ever since Alhumdulillah.

The Governing Body

Al Akram Trust is the governing body of the school and the trustees include:

- Dr A J Piracha (Chairman)
- Dr N A Zaman
- Mr S Hussain

The chairman of the trust can be contacted directly by writing to:

Chairman of the Trustees
Al-Akram Trust
Normanton House
Village Street
Derby DE23 8DF

The Head Teacher

The Head Teacher at Normanton House Primary School is:

Ms A Piracha

Our Ethos

At Normanton House School, we aim to provide an inspiring educational experience within a caring and secure Islamic environment embedded with the values of discipline and mutual respect which extend beyond the school into the wider community.

Pupils are encouraged to develop a strong Islamic character and achieve their spiritual, moral, social and educational potential.

A deep appreciation of our faith is at the heart of everything we do at Normanton House School. We aim to combine traditional values with vibrant learning so that our children are nurtured to become confident, kind and well-rounded members of the community who provide a positive contribution to society. We aim to nurture, within our pupils, a deep love for Allah, His beloved Prophet (pbuh) and His righteous people as well as respect for parents and elders.

Pupils and staff are expected to work hard, to take pride in their work whilst constantly being directed by their inner moral compass.

Values of patience, modesty, gratitude and humility are continuously encouraged. Our school provides a warm and welcoming environment where everyone feels part of our inclusive family.

Our missions and values are founded on the Quran and the Sunnah of the Prophet (PBUH) and safeguarding the future generation while giving them a high quality Islamic Tarbiyyah (upbringing) is at the core of our endeavours.

Our Vision

Nurturing our children and inspiring them to succeed within a high quality and intellectually challenging educational Islamic environment.

Honouring the core Islamic values of honesty, integrity, compassion and mutual respect of our faith and embedding them in the day to day running of our school

Serving the wider community and humanity as a whole is vital to our vision and a fundamental part of Islam and we endeavour to develop pupils who become outstanding citizens and positively contribute to social prosperity and have a strong sense of spiritual awareness and personal accountability

“O mankind! We created you from a single (pair) of a male and a female, and made you into nations and tribes, that ye may know each other (not that ye may despise each other). Verily, the most honoured of you in the sight of Allah is (he who is) the most righteous of you. And Allah has full knowledge and is well acquainted (with all things)” The Holy Quran, 49:13

Our Curriculum

Islam is central to all subjects taught at the school.

Guidance is taken from the Quran and Sunnah in every aspect of the education. This is an ongoing and continuous process.

Special effort will be made to develop in the children a deep love for Allah, The Exalted, for the Prophet Muhammad (Peace be upon Him) and for the Quran.

Describing the curriculum in detail is best done during a visit to the school and the Head Teacher will be happy to show you children's work and how the curriculum is delivered. For this and many other reasons, a visit to the school is highly recommended prior to application or admission.

All subjects are taught within an Islamic framework and using cross-curricular themes that reflect the ethos of the school and its aims as outlined above.

Subjects taught:

- Quran
Recitation
Memorisation
Understanding
- Islamic Studies
Fiqh
History
Hadith
Akhlaaq
- Arabic
- Science
- English
- Mathematics

- History
- Geography
- Urdu
- Information Technology
- Art, Craft and Technology
- Physical Education
- PHSE

Children of years 3, 4, 5 and 6 will have the opportunity of joining the after school Hifz class. Children in this group will have more time allocated to them in order to memorise more of the Quran.

We hope that children attending the Hifz classes progress at a pace that is comfortable for them. Pupils who are enthusiastic and have an input from home can memorise several juz by the end of Year 6. Pupils attending the Hifz class finish school at 4.30pm.

Blackboard teaching, hands on learning, self motivated study, learning through play and a variety of other methods will be adopted whilst teaching to ensure pupil interest in a subject remains high while their knowledge of it grows. A main aim will be to keep the children eager and keen to learn.

Admissions

The distinctive character of Normanton House School is that of an Islamic school. Admission decisions will be made so as to ensure that this distinctive character is preserved.

Selection of pupils for entry to the school is based on the following:

- Parents who are committed to and supportive of the ethos of the school
- Siblings at the school
- Order on the waiting list
- Availability of places
- Previous school report

A right of appeal to the Trust is available to children who are refused admission to the school.

How To Apply

An admission application form is attached with the prospectus. This should be completed and returned to the school as soon as possible.

A photograph and full birth certificate of the child is required by the school. In cases where a child has attended another school previously, we require the latest end of year school report for the child.

You may also attach a supporting letter to the admission form. In this letter you may include any reasons why you would like to send your child to the school or include any other information you would like us to consider with regard to your child's admission to the school.

At present there are no deadlines for receipt of applications, however you are encouraged to apply as soon as possible as places available are limited by class size. If you are considering admission of more than one child, additional application forms are available from the school office as well as the school website.

Our Fees

All information and rules regarding the school fees are specified in the attached **fees policy**. This can also be found on the school website.

Absence And Lateness

Punctuality in attendance is an important part of discipline that affects a pupil's ability to study and learn. An attendance register is kept for each morning and afternoon session and a serious view will be taken of persistent lateness.

Where children come and go on their own, they should be instructed to go straight to school from home and to go straight to home from school.

Children are not allowed to take leave from school for holiday breaks during term times other than the designated holidays. Any foreseeable absence must be authorised by the Head Teacher.

The Head Teacher can only authorise absences for illness, bereavement and medical appointments. Any other absence will show on the register as unauthorised and may be regarded as truancy. Lateness in some cases will be regarded as unauthorised absence.

A letter of explanation is required when a child returns to school after absence except when the School has already been advised by telephone or a written note. Similarly, a note or telephone call is required if you know your child will be late for school. This will ensure we know that you are aware of your child's lateness.

School Meals

Lunch time lasts 50 minutes and is from 12:00 noon to 12:50pm. Parents may take their children home during this time. However we would encourage them not to do so.

Currently, no meals are provided by the school. Children should bring with them a packed lunch from home in a container clearly marked with their name.

We do offer a warming facility whereby children's food can be warmed up for them at lunchtime if needed. Any specific instructions for warming food must be clearly provided on the child's food container.

School Uniform

GIRLS UNIFORM:

- White head-scarf
- White, grey or black socks
- Black flat soled shoes (maximum heel height 1 inch)

and either:

Option 1:

- Grey pinafore or long (ankle-length) skirt
- Grey bootleg, trouser or salwar
- White blouse or polo-shirt
- Navy blue sweater or jumper **with school logo stitched on**

or

Option 2:

- Grey salwar (not jogging bottoms)
- Grey jilbab or qameez
- Navy blue sweater or jumper **with school logo stitched on**

BOYS UNIFORM:

- White, grey or black socks
- Black shoes

and either:

Option 1:

- Grey trousers
- White shirt or polo-shirt
- Navy blue jumper **with school logo stitched on**

or

Option 2:

- Grey salwar (not jogging bottoms)
- Grey/white jubbah
- Navy blue jumper **with school logo stitched on**

PE KIT (GIRLS & BOYS):

- Grey jogging suit (jogging bottoms and sweat top)
- white polo shirt
- black/white trainers/pumps

- Pupils are required to maintain a smart appearance throughout the school day.
- Hair must be kept clean and neat and boys haircuts should be uniform and regular. Irregular haircuts including the cutting of designs and patterns into the hair are not allowed.
- In order to minimise the risk of injury, no jewellery is allowed in school.
- Girls with pierced ears may wear small studs on the understanding that they will be wearing their scarves all the time.
- Fridays – Uniform does not need to be worn on Friday but pupils must be dressed appropriately. This means that girls’ ‘qameez’ should not be too short and clothes should not have logos and pictures on them. It is best if girls wear jilbab and boys wear jubba on Fridays.
- Please **do not** send your child in to school with valuable items.
- In the interest of health and safety, all Key Stage 1 children are **not** to wear school shoes with laces. As a part of learning to be independent, children need to be able to put on and take off their own shoes without adult support. Therefore, Velcro fastening or slip on shoes must be used for key stage one children as laces have proven problematic for these younger pupils.
- School logo badges can be purchased from the school office.

Parents are requested to ensure that all items of clothing are marked with their child's name.

Salaat

Salaat, a major pillar of Islam, is a compulsory part of every Muslim's life and wudhu is its key.

There are specialised wudhu areas, separate for boys and girls, which will be used appropriately by staff and pupils to make wudhu in preparing for salaat.

Children may bring a small towel and slippers to use for wudhu.

Pupils of the first two years (Year 1 and Year2) will be taught the requisites of salaat and its practice, preparing them to be able to perform salaat in the later years.

Throughout years 3, 4 and 5, pupils will be required to observe those salaat, which fall within the school day, together in *jamaat*. Parents will be asked to actively encourage their children in these years to observe the remaining salaat which fall outside school time.

Salaat will be deemed compulsory on the pupils of year 6. Pupils of year 6 will be given a responsible role in conducting preparations (such as coordinating wudhu times between different classes, the calling of azaan) for salaat in the school. Parents of year 6 pupils will be asked to insist that their child observes all his or her salaat. The schools policy is that these children must perform regular salaat. This will be given much weight in the final end of primary school reports.

Discipline

The importance of good Islamic manners cannot be emphasised enough. All persons in school at all times are required to observe good Islamic manners, and follow the *uswa hasana* of the Prophet (Peace and Blessings be upon Him).

The school should be a living embodiment of Islam as an ideal and *Deen and* should demonstrate the Islamic way of life and be a witness to society.

Parents, staff and pupils must all be aware that we as Muslims are the *ummatun wasatun* and stand as a witness to society and that the Prophet (Peace and blessings be upon Him) stands as a witness to us. Good *akhlaaq* (manners) are essential. The Prophet (Peace and Blessings be upon Him) was sent to perfect *akhlaaq*.

There is a core set of rules which are consistent throughout the school. These include:

- To be kind, polite and respectful to others and not to hurt each other
- To concentrate on ones work
- To listen and look at the teacher when they are speaking
- To raise ones hand when wanting to speak

Any breach of school rules will be taken seriously. Bullying and the use of bad and vulgar language will not be tolerated. Anti Islamic ideals and behaviour will not be tolerated.

School Policies

COMPLAINTS

We constantly try to improve our services to pupils, parents and the community. As part of this we have a comprehensive complaints policy and procedure which is available for inspection at the school.

SAFEGUARDING CHILDREN

The school has a holistic approach to the safeguarding & welfare of children and implement the latest government guidelines in safer recruitment and child protection.

All staff are subject to thorough recruitment checks and vetting prior to being employed.

Staff members receive child protection training in order to equip them to help ensure the well being of all children in their care. The school additionally has a nominated child protection officer who is trained to a suitably higher level.

The schools safeguarding policy is available on the school website and can be provided in print form to any parent on request.

FIRST AID

The school has several designated first aiders who are clearly indicated on the school notice boards as well as first aid rooms on both the ground and second floors.

HEALTH & SAFETY

The school has a health & safety policy and implements robust procedures to ensure a safe environment for all pupils, parents & staff. The premises are equipped with a fully functional and well maintained fire safety system. All electrical and gas fittings and systems are regularly inspected and maintained to meet regulatory requirements. Staff are trained in First-Aid care and all classes are equipped with first aid and sanitary kits.

SAFETY ON SCHOOL VISITS

Pupils will take part in many educational & leisure visits during their school life

All school visits will be planned with safety in mind. This includes carrying out risk assessments, provision of first aid staff and equipment, good communication via contact lists of parents and staff.

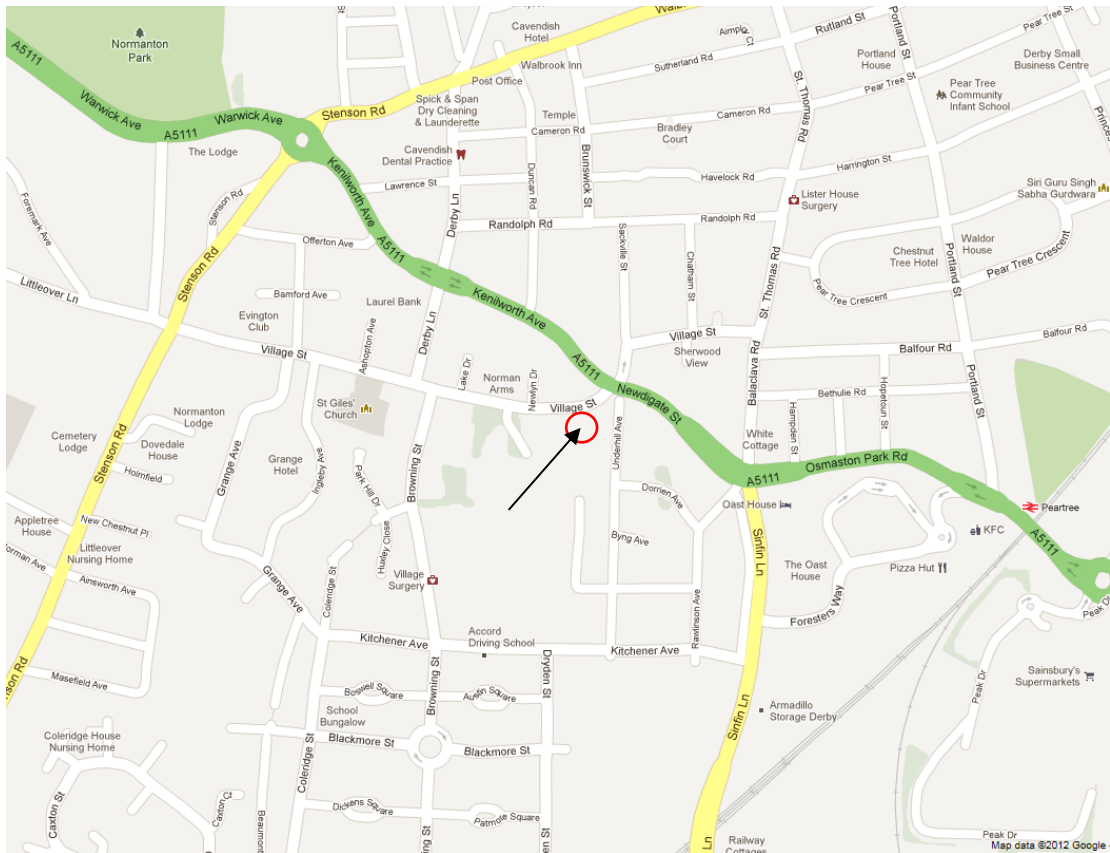

ANTI-BULLYING POLICY

All pupils should be safe and happy at Normanton House School and we have procedures and strategies to ensure this is the case.

Parents and children should know what to do if they are concerned that bullying is occurring and we take allegations of Bullying very seriously.

The Health and Safety, Safety on School Visits, and Anti-Bullying policies are available from the school upon request.
